*Certificates of inclusion of a Medical Device:*

ARTG 351771

Body Adjust Sleep System Beds have been tested (04.03.2021) and found Compliant with AS/NZS IEC 60601.1:2015 Medical electrical equipment: Part 1: General requirements for basic safety and essential performance Section 9 - Protection against mechanical hazards of ME equipment and ME systems. Section 15 - Construction of ME Equipment

SWL: 195kg

Warranty: 5 Years Equipment and Mattresses

2 Years Electrical Components

The User Manual relating to our beds can be found on our website [www.multiway.com.au](http://www.multiway.com.au)

Please refer to the manual for information regarding use, care and the suggested preventative servicing and maintenance. Electrical beds should be assessed, tested and tagged annually. It is recommended that Preventative Maintenance should be considered in addition to the cost of equipment for funding purposes.

Please feel free to refer questions from any interested party to us directly on 1300 168 584 or by contacting us.

Regards,

MULTiWAY
